

Hi all

We are currently seeking expressions of interest for Gwynne Shield and Under 45kg Hamilton Black and Gold coaches. We are trying to fill these positions early in order to allow coaches, particularly Gwynne Shield coaches maximum time to get into the various schools in their catchment areas so as to give them every opportunity to have full squads from their catchment. We believe early appointments of our U45 Gold and Black coaches will make their tasks a little easier with more time available to look at potential players and with all coaches more time to work with our rep committee if required.

Rep coaching application forms will need to be completed by all candidates whether returning or new. Applications open Monday 13th March, close Friday 7th April. These should be available on our WCJRB website or contact Graham on 027 342 5278.

Graham Wallace
